Announcing Justin Langer as the Brand Ambassador of NiviCap

Mumbai, Guided by its vision - “Fast. Fair. Family Approved. Your academic dreams in Australia without financial roadblocks”, NiviCap marks a new era in the education financing ecosystem. Australia continues to stand tall as the most preferred international education destination for Indian students, celebrated for its world-class universities, multicultural inclusivity, and post-study work opportunities. Building on this commitment, the launch of NiviCap also marked the announcement of Justin Langer as the Brand Ambassador. Further strengthening the Australia–India education partnership, the Australian Trade and Investment Commission (Austrade), Australia’s national trade and investment promotion agency, supported the launch of NiviCap. Developed by the founder of Ziksu Australia, one of the country’s leading fintech brands, NiviCap bridges India and Australia’s education ecosystems through a comprehensive suite of non-banking solutions. India is now the second-largest source country for international students in Australia, with approximately 137,703 students from India commencing or continuing study in 2025. Mr. Karthik Srinivasan, Founder, NiviCap, shared, “As an Indian-born Australian, I’ve lived the same journey that thousands of students take every year, filled with excitement, but also anxiety. I know firsthand how overwhelming it can be to handle documentation, manage finances across countries, and deal with the emotional toll of being far from home. I’ve seen how these challenges can make dreams feel distant.
