urance, particularly as families from Tier-II and Tier-III regions increasingly
as education.

esentatives at the launch emphasised the importance of strengthening student-
ort mechanisms across the bilateral education ecosystem.

asan, Founder, NiviCap said, “As an Indian-born Australian, I’ve lived the same
housands of students take every year, filled with excitement, but also anxiety. I
d how overwhelming it can be to handle documentation, manage finances across
deal with the emotional toll of being far from home. I’ve seen how these
make dreams feel distant.

nces stayed with me and shaped my professional journey. Having worked in
s India and Australia, I witnessed how complex regulations and cross-border
make these transitions even harder. When I later represented Australia in fintech
reaffirmed my belief that innovation, when built with empathy, can truly solve
allenges.

reated with that very vision, not just as a digital solutions platform, but as a bridge
ation and achievement. ‘Fast. Fair. Family Approved.’ isn’t just a promise; it’s

Brand Ambassador, “As both a father and a coach, I understand the emotions that
tching young people chase big dreams away from home. India and Australia share
es beyond sport, it’s built on trust, respect, and shared ambition. NiviCap
beautifully. To me, NiviCap is like a great coach, steady, reliable, and always there
sure is on. It gives students the confidence to perform and parents the
at their children are in safe hands. That’s why I’m proud to stand with a brand
as both ambition and care.”

yanamurti, Minister (Commercial) and Head of South Asia, Austrade, “Australia
its education partnership with India. Indian students enrich our campuses and
and they are central to the cultural and economic ties between our two nations.
ch by an Australian firm Ziksu is a great initiative to support Indian students
udy in Australia.”
